DEADLINES

Application:

Financial Aid:

Scholarship: ACT/SAT test scores from
November are the last scores used in
scholarship consideration.

BASIC INFORMATION

High School GPA: 3.0 cumulative GPA on a 4.0 scale

High School Requirements: Completion of 16-unit core as listed at <http://admissions.uark.edu/apply/prepcore.php>. Only AP, IB and dual enrollment courses are weighted on a 5.0 scale.

Transfer GPA: Requires 24+ transferrable hours with a 2.0 cumulative GPA and be in good academic standing at most recent institution. Students with less than 24 transferrable hours must also meet incoming freshman requirements.

Credit By Exams: AP, IB, and CLEP - See <http://registrar.uark.edu/transfer-and-test-credit/test-credit.php> for required scores.

Required Tests: Test "Optional" and "Flexible" for Summer and Fall 2021 High School GPA and Test Scores New freshman applicants should have a high school grade point average of 3.0 or higher on a 4.0 scale, and an ACT score of 20 or higher, or the SAT equivalent (see our Test Score Policy). All GPAs will be recalculated to a standard 4.0 scale. Exceptions may be made for applicants who have extenuating circumstances, special talents, or are interested in programs with availability and strong student support. Applicants Without Qualifying ACT or SAT Scores Due to COVID-19 test cancellations, many Fall 2021 prospective students may not have had the ability to take an ACT or SAT test during the spring and summer of 2020. However, we recognize that many students are eager to apply to the University of Arkansas and be considered for admission early. To accommodate these requests and continue to comply with State of Arkansas' placement and reporting requirements, the University of Arkansas will implement "test optional" and "test flexible" alternatives for admission and placement purposes for Summer 2021 and Fall 2021. Please note, regardless of admissions status, applicants must submit ACT or SAT test scores by February 1, 2021, to be considered for merit-based scholarships and fellowships. Admitted students must have ACT, SAT, or Next Generation Accuplacer scores on file by May 1, 2021, for placement and enrollment purposes during orientation. Test Optional Applicants with a 3.20 high school GPA or higher (on a standard 4.00 scale) will be reviewed for admission to the University without a qualifying test score, but must submit ACT, SAT, or Next Generation Accuplacer scores by May 1, 2021, for placement and enrollment purposes. Test Flexible Applicants with a 3.00 to 3.19 high school GPA (on a standard 4.00 scale) may elect to take the Next Generation Accuplacer Test (available online 2-3 times a week) in lieu of the ACT or SAT for admission and placement purposes. Applicants that score an average of 254 or higher on the Next Generation Accuplacer Test will be fully admitted to the University. Applicants with a 2.75 to 2.99 high school GPA (on a standard 4.00 scale) are encouraged to apply for consideration and may elect to take the Next Generation Accuplacer Test (available online 2-3 times a week) in lieu of the ACT or SAT for admission and placement purposes. The Admissions Committee will conduct a holistic review of the applicant's file, including optional personal statement prompts on the application for admission. Test Required Applicants with a 2.74 or lower high school GPA (on a standard 4.00 scale) are encouraged to apply to be considered for the Transitions Academic Program and are required to submit an ACT or SAT test score for admission and placement purposes. The Admissions Committee will conduct a holistic review of the applicant's file, including optional personal statement prompts on the application for admission. The University of Arkansas will calculate a superscore for the ACT and SAT for admission and scholarship purposes. The College Board began offering a redesigned SAT in March 2016. Applicants to the University of Arkansas may submit pre-March 2016 SAT scores or scores from the redesigned SAT. Because of key differences between the two exam formats, we will not calculate a superscore between the new and old SAT versions. Please note: the Honors College does not superscore for admission or fellowship consideration.

ADMISSION REQUIREMENTS

Application: \$40 in-state/\$50 out-of-state, Common Application Fee: \$50 Domestic, \$60 International

Readmission:

In-State: \$252.28 /crhr or \$3,784.20 (based on 15 hours)

THE ARKANSAS ASSOCIATION OF COLLEGIATE REGISTRARS AND ADMISSIONS OFFICERS STATEMENT OF GOOD PRACTICE

The Arkansas Association of Collegiate Registrars and Admissions Officers believe in the professional competence of each admissions office and representative. The organization understands and accepts responsibility for the educational community. Each admissions officer is responsible to his/her respective institution of higher education. The admissions officer must have the proper credentials and be educated in the moral and ethical principles derived from this statement. Each member institution promotes high standards in relationships with associated personnel, students, and parents. As professionals, the welfare of students is the most important consideration while offering assistance. The following guidelines have been established and are intended to benefit students, parents, hosts and representatives attending College Planning Programs.

- Follow the AACRAO Code of Ethics.
 - Maintain the highest level of personal and professional conduct.
 - Do not speak adversely about another professional or institution.
 - Treat prospective students/parents/visitors professionally and respect the confidentiality of information.
 - Do not seek information based upon race, sex, creed, or physical or mental disability.
 - Do not promise admission, scholarship, or financial aid. Provide information and deadlines.
 - Abide by the guidelines of the college planning program host. Notify the host well in advance of the scheduled program if you can/cannot attend. Arrive early, check-in with the host, and remain in your designated area the entire length of the scheduled event.
 - If using alumni as representatives, make sure this information is provided and designated representatives use nametags.
 - Avoid utilizing unsupervised students, cadets or other non-professionals. If it is necessary to use these representatives, use good judgment and make sure the host is aware of your plans.
 - Promote institutions through program brochures and materials, informational request cards, catalogs, campus-related compact discs, and other factual information.
 - Distribution of plastic advertisement bags, pencils and pens is allowed. All other promotional items or give-aways are prohibited. Any questions should be directed to the ArkACRAO President or College Planning Program Coordinator.
 - Confine recruitment to designated/assigned area.
 - No contests or demonstrations are allowed.
 - If operating a computer-based program related to your campus, a request for set-up needs must be made ahead of time, and verified by the host. This must not interfere or distract other display areas.
 - The use of display boards/stand-up campus advertisements cannot interfere or conceal the area of another representative. These must also be confined to the designated/assigned area, and must remain behind the area or may be allowed to the side, if it does not cause interference.
 - Scheduled college planning programs will be in the Clearinghouse Calendar. Any additions will be sent by the College Planning Program Coordinator.
 - Any requests for programs that are not scheduled through the Clearinghouse Calendar should be referred to the College Planning Program Coordinator.
 - Hosts of scheduled programs are encouraged to invite all ARKACRAO member institutions. However, if no invitation is received, do not attend a program in question before contacting the host.
 - Each Director of Admissions/Recruitment is responsible for sharing this information with recruitment officers.
- Update Approved: 3/11/2011, ArkACRAO Executive Council*

ARKANSAS ASSOCIATION OF COLLEGIATE REGISTRARS AND ADMISSIONS OFFICERS COLLEGE PLANNING PROGRAM HOST INFORMATION AND RECOMMENDATIONS

- Accept the program date and time. Any changes must be made through the College Planning Program Coordinator.
- Send invitations to ArkACRAO members by mail, email, or through the listserv, available through the College Planning Program Coordinator. Invitations should be sent approximately one month in advance.
- Hosts are encouraged to invite all member institutions.
- If having a college fair/career fair, please adhere to the ArkACRAO Statement of Good Practice.
- Provide a map or directions to the college planning program, including location of the program and any specific parking recommendations, loading/unloading details.
- Provide a contact person and deadline to verify attendance for the program.
- Share the grade levels planning to visit with representatives.
- Try to limit the designated program to a maximum of two or three hours, depending on the numbers involved. Contact the College Planning Program Coordinator with questions.
- Have a representative available during the scheduled fair, who provides direction, can answer questions or provide assistance.
- Include any other helpful information for campus representatives, such as possible refreshments.

Thank you for your support of recognized ArkACRAO College Planning Programs! The organization is dedicated to offering educational information to best serve your campus, students and families. *Update Approved: 3/11/2011 ArkACRACO Executive Council*

The complete Directory is available at <https://arkacrao.org/directory>.
